

Spring Fair

The Spring Fair is fast approaching! It is not too late to sign up to help on your child's class stall, or to help set up in the morning or clear up at the end. Children will be dancing and we have our official opening of our new outside theatre during the afternoon. We are keeping our fingers crossed for good weather and hope to see lots of you there!

Staff

At the end of term we were sad to say goodbye to two members of staff. Tina Schneider who worked with us as a midday supervisor has moved on to work in a nursery. Jacob Rodwell who was a pupil at our school and who has been working with us as a SEN Teaching Assistant is following his dream to become a professional dancer. Although we are sad to see him leave us, we are so thrilled that he has this opportunity.

Monster Phonics

We are so pleased that we were able to purchase reading practice books linked to our new phonics scheme. You have received a separate communication about these books. Please could I take this opportunity to remind you not to put water bottles in book bags as they often leak and we need to take care to look after our new books.

Book Exchange

We would like to introduce our book exchange. We have a cabinet outside the main reception area, under the canopy, with books in. These are for your child to take home to borrow and then return. If you have any good quality children's books to donate to the cabinet we would also be extremely grateful.

Dogs

Just a gentle reminder – only service dogs are allowed within school grounds. All other dogs are not permitted, even if they are being carried. Thank you.

Daniela Thompson Headteacher

Attendance

Our whole school attendance is 92.4% currently, which is a slight increase on last month. Well done everybody!

Zebras' Class has won the weekly attendance award the most times this school year and has the best class attendance overall. Well done Zebras!
